TEACHING — THESES AND ESSAYS ADVISED (WESLEYAN UNIVERSITY)

2013–2014 Advised seven senior theses and one senior essay.

2012–2013 Advised two senior theses (both won high honors) and four senior essays.

2011–2012 Advised two senior theses (both won honors) and four senior essays.

2010–2011 Advised two senior theses (both won high honors) and three senior essays.

2009–2010 Advised a senior thesis (won honors).

2008–2009 Advised a senior thesis (won honors) and a senior essay; received a Mellon-Mays mentoring award.

2007–2008 Advised three senior theses (two won honors, one won high honors) and four senior essays.

2006–2007 Advised three senior essays.

TEACHING, MENTORING, AND ADVISING

2007–2014 Mentored 16 students total in the 10-week Quantitative Analysis Center Summer Apprenticeship Program, teaching original quantitative analysis, Stata, SAS, HLM, UNIX, and Perl, including regression, multilevel analysis, growth curve modeling, and missing-data strategies.

2006–2013 Mentor, Mellon Mays Undergraduate Fellows Program; received Mellon-Mays Mentor of the Year award.

2005–2006 Mentor, Undergraduate Research Scholars program (mentee won second place, Association of Black Sociologists undergraduate paper award).

Summer 2012, 2010, 2008 Advised student Davenport Grant fieldwork projects (research proposals, IRB, survey/sampling design) in China, Mexico, Chicago, Hawaii, and Washington, DC.

Summer 2001 Organized a seminar on qualitative methods for student researchers preparing for apparel-industry fieldwork in Indonesia, Honduras, and Mexico.

METHODOLOGICAL AND STATISTICAL TRAINING

Statistics II and III; Sociological Methods; Survey Methods for Social Research (audited); Comparative and Historical Methods in Sociology; Mathematical and Statistical Applications in Sociology (Categorical Data Analysis, Event History Analysis, Structural Equation Modeling); Qualitative Methods Seminar (Ethnography); Econometrics I and II; Research Methods in Social Work — University of Wisconsin–Madison.

ASA 2003 (Atlanta): Social Network Analysis; Quantitative Analysis of Qualitative Data. AERA 2007 (Chicago): Propensity Score Analysis. AERA 2012 (Vancouver): Multiple Imputation with R; GIS with Census and Educational Data.

COMPUTER & TECHNICAL SKILLS

Statistical Packages: Stata, HLM, R, SAS, SPSS, AMOS, LISREL, M-Plus (familiarity); machine learning methods

Programming & Data Management: SQL, Python, UNIX batch programming

Operating Systems: UNIX, Linux, Windows, Macintosh

Survey software: Redcap, Qualtrics, and Survey Monkey

Other Software: Tableau, Tiddlyverse, GIS, Microsoft Excel, Word, PowerPoint, Emacs, TeX/LaTeX.

Data Visualization & Reporting: R-Shiny; Power BI and Evisions Argos (working knowledge); knowledge of IPEDS reporting requirements.

Institutional Reporting Pipelines: Experience creating simulated student and institutional datasets using Banner naming conventions; Oracle SQL/PL scripting to query and reconcile Banner-modeled databases; generating IPEDS-uploadable survey files using sqlcl and the R package IPEDSuploadables.
